

# THE BASICS

## Hurricane Readiness

**First, use common sense and heed all warnings.  
Next, have these items ready for use:**

- Fresh water and non-perishable, non-refrigerated food for at least three days**
- Flashlights, lanterns and extra batteries or fuel\***
- Portable stove and extra fuel\***
- First aid kit and medicine**
- Special items for babies, the elderly and pets**
- Sleeping bags, pillows, airbeds and manual- or battery-powered pump**
- Raingear and sturdy footwear**
- Tools for simple repairs**
- A charged cell phone**
- A battery-powered radio or TV**
- Enough cash for at least three days**
- A working car with a full gas tank**
