

Pack-Away® Table Set for 4 #2794-690

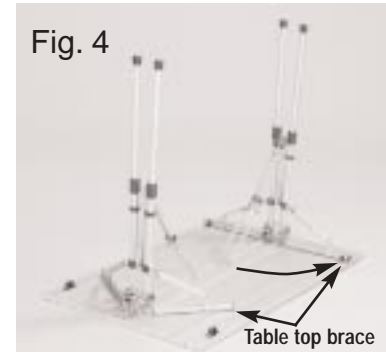

Open bench seat case until case lays flat. The case will separate into 2 sections.

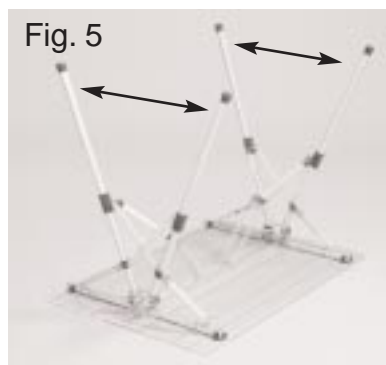

Open velcro straps and remove table from case. Unroll table top and layout with the leg assemblies up.

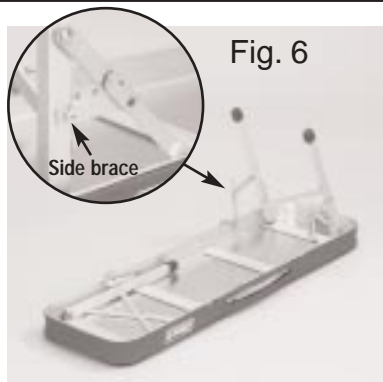

Lift the leg assemblies until vertical and angle brace locks into place.

Swing out table top braces until you can lift them slightly to snap into position using the attached black plastic snaps.

Open the leg assemblies until they lock into place forming a "V". Turn assembled table over for use.

Assemble bench seats. Lift the leg assemblies upward to lock into place. Connect the side brace on each leg assembly.

Drape cover over bench and pull until elastic grips around the bench seat. Cover may be removed for easy cleaning.

Assembled table with 2 bench seats.

To Disassemble and Store:

- Turn bench seats over so the legs are pointing up.
- Unlock side braces and fold legs down into storing position.
- Turn table so the flat table top is facing down. (see Fig. 5)
- Push legs inward until they meet and are standing vertical.
- Unsnap the table top braces and fold inward. (see Fig. 3)
- Fold the first leg assembly inward, but not completely down.
- Fold the second leg assembly part way inward, and then push the first leg assembly down completely followed by the second.
- Grab the end slats with plastic snaps and fold them outward, now continue to fold inward in a back to back manner until you reach the leg assembly.
- **IMPORTANT: The black plastic snaps must point outward.** (See Fig. 1 & 2)
- Lift table into bench case that has the 2 velcro straps and set into position. (See Fig. 1)
- Secure table by connecting velcro straps.
- Insert bench case lid into the side slots and fold down to close.
- Close outside levers to secure and store.
