Keep Out of Reach of Children

CAUTION

FIRST AID	
If swallowed	• Administer water and call a physician or poison control center immediately. Do not induce vomiting.
If directly inhaled	• Move person away from dispenser. Get medical attention.
If in eyes	• Flush eyes with plenty of water. Call a physician if irritation persists.
If on skin	• Wash with plenty of soap and water. Get medical attention if irritation persists.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Contents of replacement scent cartridges are harmful if swallowed or if directly inhaled. Causes moderate eye irritation. Avoid direct inhalation, or contact with eyes or clothing. Wash hands thoroughly after opening the replacement scent cartridge if contact with contents occurred.

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of scent cartridges or dispenser.

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When mosquito control is desired, open the Mosquito Deleto™ Inhibitor and insert two AA batteries. Carefully peel off the foil covering from the replacement scent cartridge being careful not to touch the contents, and place in the section of the dispenser below the fan. Place the Inhibitor on a flat surface. Turn switch on. You are now ready to enjoy your outdoor activities. Use a dispenser for every 100 square feet (10 ft. x 10 ft.) of patio or deck. Replace scent cartridge after 360 hours of continuous use or one month.

Storage and Disposal:

Cartridge Storage: Store in original container in a cool, dry area.

Cartridge Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Notice: Buyer assumes all responsibility for safety and use not in accordance with directions.
