Coleman Drills - manufactured by Team Products (Prior to 2009) (Out of Business)

The Coleman Company, Inc. entered into a licensing agreement with Team Products to manufacture and produce products to be sold under the Coleman brand. Team Products was responsible for the product, repairs and customer service on these products. Unfortunately, Team Products has filed bankruptcy and gone out of business. Replacement units are not available.

The warranty service and replacement parts for these products were the responsibility of and handled by Team Products. Coleman has never carried or distributed these products and we have no parts or replacement units available. Coleman does not have any information on these items. We have no copies of the instruction manuals nor do we have specifications for replacement charging adapters. If you are needing a replacement charging unit or bulb, you might try a local electronics shop for a comparable unit.

MANUFACTURE NOTES:

Powermate Corporation

In March 2008, Powermate filed for bankruptcy protection. We understand that customer service inquiries to Powermate may be difficult and that emails and telephone calls may not be answered. However, we believe that information about Powermate and its products continues to be available at their website.

Powermate Corporation is not a part of The Coleman Company, Inc. They are an independent company and we have no information on their products. Powermate manufactured Coleman branded product under license for generators, pressure washers, air compressors and air powered tools. Information about those products was available from Powermate Corp.

Polyconcepts

The Coleman String Lantern Lights, Birdfinder, Lantern/Fan/Radio Combo, the TV/Radio/Light, the CD Cool Box, the Telephones, Folding Radios, Mirror Radio and Splashproof Headphone Radio were all licensed products manufactured and distributed by Polyconcepts

69 Jefferson St.
Stamford, CT 06902

Polyconcepts stopped licensing the Coleman name a few years ago and stopped distributing these products at the same time. Their web site and phone numbers are no longer active.

The warranty service and replacement parts for these products were the responsibility of and handled by

Polyconcepts. Coleman has never carried or distributed these products and we have no parts or replacement units available. Coleman also does not have any information on these items. We have no copies of the instruction manuals nor do we have specifications for replacement charging adaptors. If you are needing a replacement charging unit or bulb, you might try a local electronics shop for a comparable unit.

Team Products

The Coleman Company, Inc. entered into a licensing agreement with Team Products to manufacture and produce products to be sold under the Coleman® brand. Team Products was responsible for the product, repairs and customer service on these products. Unfortunately, Team Products has filed bankruptcy and gone out of business. Replacement units are not available.

The warranty service and replacement parts for these products were the responsibility of and handled by Team Products. Coleman has never carried or distributed these products and we have no parts or replacement units available. Coleman does not have any information on these items.
